

# HAWKE'S BAY SAUVIGNON BLANC 2011

## Tasting Notes on Release

- Eye: Pale lemon, green tinges.
- Nose: Pungent green capsicum, hint of citrus peel and a flinty mineral note.
- Taste: Succulent front, mid palate texture, dry with bright acidity.
- Food matches: Alfresco, barbecues and hot summer afternoons.
- Cellaring: Drink current vintage.

## Winemaking

Our philosophy is to make artisan wines that are food friendly, have texture, palate interest, and balance.

Cool fermentation has captured the bright herbaceous fruit characters in a crisp summer style, typical of what has made NZ Sauvignon world famous.

Only available cellar door, bistro and website.
