

HAWKE'S BAY SAUVIGNON BLANC 2013

Tasting Notes on Release

- Eye: Pale lemon, green tinges
- Nose: Pungent green capsicum, hint of citrus peel and a flinty mineral note.
- Taste: Succulent palate texture, with bright acidity.
- Food matches: Alfresco, barbecues and hot summer afternoons.
- Cellaring: Drink current vintage

Winemaking

Our philosophy is to make artisan wines that are food friendly, have great texture, palate interest, and balance.

Cool fermentation has captured the bright herbaceous fruit characters in a crisp summer style, typical of what has made NZ Sauvignon world famous.
