## food

We require our caterers to be used at all River Room weddings. They will provide staff to serve the food and beverages and their vast knowledge of the venue allows them to be on hand to offer any other professional help on the day. They also take the hassle out of running a function and allow you to enjoy the occasion with your guests. Please ask us for our most recent example menus. Dieteries and children's menus can be happily catered for.

## beverage

All of our venues share a seasonal Beverage List of Black Barn wines, a selection of beers, cider and non-alcoholic beverages. Spirits and any wines or beverages outside of our list can be sourced with ample notice. All beverages must be sourced by Black Barn Vineyards. No cash bar. Minimum spend of \$2,500.00.

We do require our BBV staff to serve the beverages and are charged out at \$29.00 per hour with a 1:30 ratio (staff : guest). Their vast knowledge of the venue allows them to be on hand to offer any other professional help on the day. They also take the hassle out of running a function and allow you to enjoy the occasion with your guests.

## curfew and liquor licensing

Our Liquor License and therefore curfew of 11.00pm applies for all weddings.

## transport

The River Room venue is located 15 minutes from Havelock North. There is limited parking at the venue however, we strongly recommend using a local shuttle or bus service to transport guests to and from the venue to make everything a lot easier on the day.

## additional note
