RUSH COTTAGE

Rush cottage needs to be added to the venue hire. The Cottage is a romantic turn of the century two bedroomed cottage just across from the Bistro on Black Barn Road. Because of its very close proximity to the venue, it also needs to be booked for your wedding weekend. However this immediate proximity provides the perfect location for the bridal party to get ready as well as being a wonderful spot for a celebratory family get together either the evening before or the following morning. (Or both!)

It also provides a perfect ‘first night’ location for the bride and groom if required. Alternatively, if you do not wish to use the facilities of Rush Cottage you can pass it on to guests or family sleeping up to four in two bedrooms - as long as they are attending the wedding.

Because this is a fixed requirement for a wedding at the Bistro we offer it to you at the special winter rate of \$850 for the two nights

Access Times, Curfews & Minimum spend

Our Liquor License and therefore curfew of 11.30pm applies for all evening functions. Please ask us if you wish for further information on this. We also require a minimum spend of \$25,000.00 in Summer and \$23,000.00 in Winter, and have a maximum capacity of 100 guests.
