All beverages must be sourced and supplied by black barn vineyards. No cash bar. Minimum spend of \$3,000.00.

Curfew and liquor licensing

There is a curfew of 7.00pm at the Olive Shed, with all guests to have vacated by this time. **No amplified sound at this venue, only back ground music allowed.**

Amphitheatre concerts

We run a busy and exciting summer events season in the amphitheatre (a stone's throw from the Olive Shed, Marketplace and Underground Cellar). Due to the nature of these large public events, the season is only ever announced annually from September onwards. There is an element of risk that there might be a clash between events. Please ask us more about this.

Loos

We are under way building a three-bay loo unit down at the Olive Shed and plan to have this finished in the near future. In the chances that this doesn't go ahead though, we will need to hire in Luxury loos, and this currently costs \$850.00 for the three bay Royal Flush Luxury loo unit.

Staffing

We do require our BBV staff to serve the beverages and are charged out at \$35.00 per hour for bar staff and \$42.00 per hour for the duty manager. Their vast knowledge of the venue allows them to be on hand to offer any other professional help on the day.

Suppliers

Black Barn Vineyards are to provide the venue, facilities, AV, bar staff and beverage and also assist you with any other requirements to ensure the success of your function/ceremony

It will be at your discretion to source the celebrant, photographer, entertainment, florist, decor and styling and any other additional vendors you wish to utilise.

Should you require any assistant with any of these suppliers, please let us know as we have an amazing team of preferred suppliers that we're happy to recommend.

Transport

The Black Barn Olive Shed venue is located 5 minutes from Havelock North. There is ample parking on the lawn below the venue.

Transport can also be arranged to drop off and collect your guests to and from the Olive Shed.

Event planning and management

All venue hire fee include event planning. We take the stress out of planning your function/ceremony. We cover being there from initial point of contact and answering any questions you may have, to on-going consultation, the organisation of food and beverage, liaising with suppliers, and any special request you may have.

Sound system and lightning

As the Olive Shed is a 'blank canvas venues', no sound system and only basic lighting is currently available. You can find an estimate cost in our example quote.

Hireage

Our preferred supplier to hire in all crockery, glassware, napkins and bar items is Mardigras Events (www.mardigrasevents.co.nz).

A word on the weather

Hawke's Bay's weather is typically stable during the summer months, you can almost bank on sunshine and forecasting 7 days out is quite reliable. However, can we also say right here that bad weather does not equal a bad function - even in a marquee! We understand everyone wants a sunny day for their function but please be assured some of the best functions we have held have been in average weather and even heavy rain. Our strong recommendation with this site is to work with us on an agreed 'wet weather backup plan' and then as the day gets closer and if the weather is not looking good we can give this plan much more attention. As good event planners always say - hope for the best and plan for the worst.

Accommodation

Black Barn Vineyards has some of New Zealand's most spectacular accommodation. There are 16 luxury retreats within our portfolio. Whether you want to be nestled amongst the vines, beside the river or by the beach we have an array of options for you to consider.

Rush Cottage and Black Barn Retreat is a short stroll through the vines to this venue.

Ceremony

The ceremony can be conducted inside the Olive shed or on the lawn close by the Olive Shed FOC. The portable speaker is included in the AV package in our example quote.

You are welcome to use some of the rustic market furniture for the ceremony. (bench seats or rustic chairs, and a wine barrel for your registry signing).
