* Black Barn reserves the right to update pricing on future vintages. Final pricing will be confirmed a minimum of 30 days prior to your function.

Curfew and liquor licensing

Our liquor licences and therefore curfew of 11.00pm applies for all weddings.

Staffing

We do require our BBV staff to serve the beverages and are charged out at \$38.50 per hour for bar staff and \$45.50 per hour for the duty manager. Minimum 12 hours per staff. Their vast knowledge of the venue allows them to be on hand to offer any other professional help on the day.

Suppliers

Black barn vineyards are to provide the venue, facilities, AV, bar staff and beverage and also assist you with any other requirements to ensure the success of your wedding.

It will be at your discretion to source the celebrant, photographer, entertainment, florist, decor and styling, cake and any other additional vendors you wish to utilise.

Should you require any assistant with any of these suppliers, please let us know as we have an amazing team of preferred suppliers that we're happy to recommend.

Transport

The River Room is located at 1308 Tuki Tuki Road, 15 minutes from Havelock North. There is limited parking at the venue however, we strongly recommend using a local shuttle or bus service to transport guest to and from the venue to make everything a lot easier on the day.

Event planning and management

All venue hire fee include event planning. We take the stress out of planning your wedding. We cover being there from initial point of contact and answering any questions you may have, to on-going consultation, the organisation of food and beverage, liaising with suppliers, and any special request you may have.

A word on the weather

Hawke's Bay's weather is typically stable during the summer months, you can almost bank on sunshine and forecasting 7 days out is quite reliable. However, can we also say right here that bad weather does not equal a bad function - even in a marquee! We understand everyone wants a sunny day for their function but please be assured some of the best functions we have held have been in average weather and even heavy rain. Our strong recommendation with this site is to work with us on an agreed 'wet weather backup plan' and then as the day gets closer and if the weather is not looking good we can give this plan much more attention. As good event planners always say - hope for the best and plan for the worst.

Accommodation

Black barn vineyards has some of New Zealand's most spectacular accommodation. There are 16 luxury retreats within our portfolio. Whether you want to be nestled amongst the vines, beside the river or by the beach we have an array of options for you to consider. The Riverside Lodges are your closest retreat and are a short stroll to or from the River Room. The Poplars are a short drive up the River.

Additional furniture that can be hired from our suppliers
